

Garage Doors 101

The Eversyde on the Park Condo Board is committed to improving our complex. One of the projects identified as priority work is our garage doors.

The reserve fund project will include upgrading the garage door, trim and weather stripping to better materials suited to our weather conditions and also requiring less maintenance.

This project will take place in 3 phases over the next 3 years with Phase I starting July 23, 2018. You will be contacted starting three days prior to your garage door replacement with a note and personal contact to arrange for your garage opener.

Please ensure your property is ready for construction to begin.

If any questions, please contact C-ERA Property Management

IMPORTANT TIPS:

DO NOT PARK IN
YOUR GARAGE

Make sure your
man door is locked

Please provide
your garage
opener when
needed

Provide
notification if you
will be away during
the construction
time frame

Please ensure your
garage is empty of
any items of
concern

Items remaining in
garage during
construction are at
owner/tenant risk.
