

Construction Notice

GARAGE DOOR REPLACEMENT

YOUR GARAGE DOOR IS SCHEDULED TO BE REPLACED JULY 23, WEATHER PERMITTING.

You will be contacted approximately 3 days prior to your construction date to arrange transfer of your garage opener or code.

Please ensure your opener is labelled with your unit # so it can be returned to you.

Items of concern should be removed from your garage. Items remaining in garage during construction are at owner/tenant risk.

Please do not park in your garage.

Door replacement should be completed the day that construction begins on your property.

If any questions, please contact C-ERA
Property Management 403-266-0240
