Re: Dog Off-Leash Area (Survey Result)

To all residents living on **Everridge Common**,

Thank you to all our neighbors that took time to vote on the off-leash dog park, proposed by the Evergreen Community Association.

We have been advised that they will be sending a response to everyone who voted.

We are happy to let everyone know that we get to keep our park as is. They will NOT be proceeding with this proposal to the city.

Again, we thank you!

Sincerely,

Board Members
