

Eversyde on the Park

Condominium Corporation Number 0512392

IMPORTANT NOTICE

September 10, 2019

Regarding: Evergreen Community Association proposing Off Leash Dog Park in our field

To all residents living on **Everridge Common**,

The Calgary Evergreen Community Association (CECA) is proposing to lobby the City of Calgary to turn our park into an off leash dog area.

I'm not certain how many people received a notice in their mail, but **anyone on Everridge Common that does not respond by September 15th will be assumed to be in support of this application, and counted as supporters when they lobby the City for approvals.**

Their question is stated as follows:

“Do you support in principle, the idea of turning the under-utilized soccer field portion of the park located at 2550 Eversyde Avenue SW, into a designated off-leash area?”

Please consider all implications, such as property values, parking issues, noise, odors, loss of our open field area, etc.

Then make your opinion known by emailing info@myceca.ca, before September 15th, with the subject line; Evergreen Dog Park Survey. Include the following information and any additional comments that you may wish to include;

Answer: Yes or No
Your Name
Address
Phone number and/or email address

Thank you
Eversyde on the Park Board of Directors
