**Re: Recycling Pick Up**

---

During the upcoming Christmas holidays, Blue Planet Recycling INC. may experience some delays in our **recycling pick-ups**.

Based on our standard pick-up schedule, our recyclables are scheduled for pick-up on Thursday morning, December 26<sup>th</sup> and Thursday morning, January 2<sup>nd</sup>.

These pick-ups may be delayed until later in the day or possibly the following day (Friday).

More recycling materials are being thrown at this time of the year, to keep the cost down, please ensure that you have flattened your boxes and removed and thrown out any Styrofoam. Please do not leave recycling materials on the ground.

Again, we thank you!

Sincerely,

Board Members  
Eversyde on the Park
